#### CAUTION

Only marine radiobeacons for surface use. Limitations on the use of signals as aids to marine navigation are shown in Coast Guard Light Lists and National Aeronautics and Space Administration Publication 117.

Radio direction-finder bearing stations are subject to error with caution.

Station positions are shown thus:  (Accurate location)

#### CAUTION

##### FISH-TRAP AREAS AND

Mariners are warned that numerous fishing structures, some submerged and some above water, are shown on this chart. Such structures are not to be permanent.

Regulations to assure clear passage and natural channels and to establish definite limits of fish trap areas have been established by the Corps of Engineers in the Corps of Engineers.

Where definite limits have not been established, fishing structures are restricted only by the regulations of the Corps of Engineers.
